

## **State Level Workshop on NEP 2020 Implementation**

The State Level Workshop on the Implementation of National Education Policy (NEP) 2020 was organized by the DAN Training Centre on 15<sup>th</sup> march 2024, Chumukedima, Nagaland. Thirteen students from the Career Placement Cell of St. Xavier College, Jalukie, along with Miss Chonchibeni participated in the workshop.

Sir Johnny Ruangmei, the esteemed Guest of Honour, delivered a comprehensive presentation on the National Education Policy (NEP) 2020. His presentation covered various aspects of the policy, including its objectives, key provisions, and the envisioned transformation in the education sector. He emphasized the significance of NEP 2020 in fostering holistic development and ensuring inclusive and equitable quality education for all.

Dr. ChumbeniKikon, the distinguished Resource Person, focused on the practical implementation of NEP 2020 in government schools, particularly through vocational education. Her presentation delved into the strategies and mechanisms employed to integrate vocational education into the mainstream curriculum. Dr. Kikon elucidated on the benefits of vocational education in enhancing employability skills and promoting entrepreneurship among students.

The workshop included interactive sessions where participants engaged in discussions, asked questions, and shared insights on various aspects of NEP 2020 and its implementation. These sessions facilitated a deeper understanding of the policy framework and its implications for the education landscape in Nagaland.

The workshop provided networking opportunities for participants to connect with educators, policymakers, and experts in the field of education. Such interactions enabled the exchange of ideas, experiences, and best practices, fostering collaboration and synergy in advancing the objectives of NEP 2020.

The State Level Workshop on NEP 2020 Implementation served as a platform for students to gain valuable insights into the transformative reforms underway in the education sector. The presentations by Sir Johnny Ruangmei and Dr. ChumbeniKikon provided a comprehensive overview of NEP 2020 and its practical implications, particularly in the context of vocational

education. The workshop not only enhanced participants' understanding of the policy but also inspired them to actively contribute to its successful implementation in Nagaland.
