

Seminar cum Counselling Session

On April 26th, 2024, at 1:10 P.M. a seminar cum counselling session was organized by the Career Placement Cell of St. Xavier College, Jalukie, in collaboration with Imperial IAS Academy, Dimapur. The event aimed to provide valuable insights into competitive exams in India and guide students on effective preparation strategies.

The session was conducted by two distinguished resource persons, Tia and Sachin, who provided a comprehensive overview of various competitive exams in India and offered guidance on how students could prepare for them effectively. Their expertise and insights were instrumental in enlightening the students about the intricacies of competitive exams and the strategies required to excel in them.

Achumi, the counsellor from the Imperial IAS Academy, Dimapur, played a crucial role in the event by addressing the queries and doubts raised by the students. She provided valuable information regarding the fee structure, course offerings, and other relevant details pertaining to the academy. Her presence ensured that students received personalized guidance and clarity on various aspects related to their career aspirations.

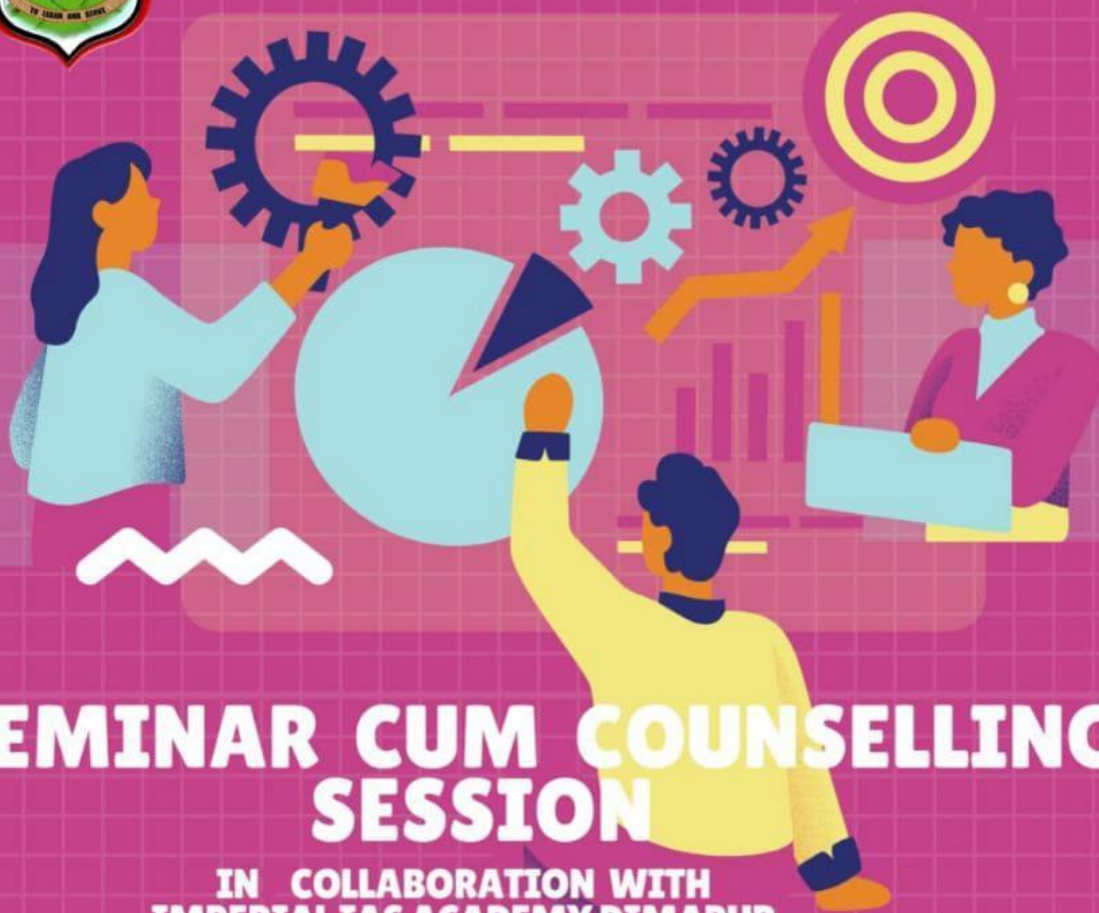

The seminar cum counselling session was well-received, with a total of 125 6th-semester students in attendance. The enthusiastic participation and engagement of the students underscored the significance of such events in guiding and empowering them to make informed decisions about their future careers.
