

Inter-Departmental Seminar on

Words Across Time: Exploring the Nexus of History and Literature Across Ages

On September 26, 2023, a captivating inter-departmental seminar titled "Words Across Time: Exploring the Nexus of History and Literature Across Ages" was organized by the Departments of History and English at St. Xavier College Jalukie. The seminar aimed to elucidate and comprehend the intricate relationship between History and English, delving into the nuances across various historical periods.

Fr. Dr. Joseph Cherian SDB, Principal of Don Bosco Higher Secondary School, Wokha, Nagaland, and formerly associated with Salesian College of Higher Education Dimapur and Bosco College of Teacher Education, Dimapur, was the esteemed resource person for the seminar.

The event commenced with a prayer led by Kimneimoi, setting a spiritual and focused tone. Levitus delivered the welcome note, expressing gratitude to the attendees and highlighting the seminar's significance. Rev. Dr. Fr. Francis S. Chrengal conveyed an insightful message, emphasizing the importance of the seminar's theme. Six papers were presented, three from the Department of History and three from the Department of English, exploring different historical periods: Antiquity, Medieval, and Renaissance. A minute break allowed participants to network and engage in discussions. The second technical session featured presentations delving deeper into the theme, providing an enriching academic experience. Fr. Dr. Joseph Cherian SDB shared valuable insights, enriching the understanding of the seminar's theme. Aosenla Ozukum extended gratitude to the resource person, participants, and organizers, acknowledging their contributions to the seminar's success.

The seminar proved to be an intellectually stimulating platform, fostering a deeper understanding of the interplay between History and English through the ages. The diverse perspectives presented through the papers and the wisdom shared by Fr. Dr. Joseph Cherian SDB enriched the academic environment, leaving an indelible mark on the attendees. Such interdisciplinary discussions are crucial for holistic learning, and this seminar was a commendable effort towards achieving that goal.
